**THE LOCAL LOCKSMITH COMPANY**

DiscoverDownriver.com!

Discover Downriver — connecting community, supporting local, and celebrating Downriver every day.

For 15 years, Discover Downriver has proudly led the way in showcasing everything that makes Downriver special. As the ORIGINAL website and social media platform created exclusively to highlight our region's events, businesses, and community spirit, we set the standard — and we're honored that many have followed our lead. We have grown tremendously during this time, especially with the addition of Downriver's ONLY event app and Event Guide brochure!

But what we do is more than promotion—it's **connection**.

It starts with a simple moment. You see a post about a local festival or even learn about it in this very brochure. You go. While you're there, you grab food, visit a shop, maybe stop for gas. Just like that, you've supported multiple Downriver businesses in a single day.

That's the ripple effect.

Through our digital platforms, mobile app, and widely-distributed Event Guide, we connect people to the places, events, and businesses that keep our community thriving. From major festivals to hidden local gems, we make sure Downriver stays visible, vibrant, and engaged.

So when you support Discover Downriver, you're supporting something bigger. You're helping strengthen the entire Downriver community—one connection at a time.

Visit [DiscoverDownriver.com](http://DiscoverDownriver.com) to stay informed, download our free app, and find one of our Event Guide brochures at locations throughout Downriver.
